Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

This policy will be reviewed by the Head of centre, SLT, Exams Officer and SENDCo and then communicated to all relevant centre staff and governors. It will be stored electronically on the Shared drive Staff\POLICIES\Exams; and on the Policies area of the school website. All policies referred to below are additionally stored on the Shared drive Staff\POLICIES\Exams and hard copies in the Exams Office.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. (GR, section 1)

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The headteacher/Principal on site (the head of centre) may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)

Head of centre responsibilities

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the (*Instructions for conducting examinations*) **booklet**. Failure to do so may constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2023 to 31 August 2024:* https://www.jcq.org.uk/exams-office/malpractice (ICE Introduction)

- Ensures other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials

    - the location of the centre's secure storage facility in a secure room which must only be used for the purpose of administering secure examination materials
    - the secure room only contains exam-related material
    - there are between two and six keyholders only, each keyholder must fully understand their responsibilities as a key holder to the secure storage facility
    - access to the secure room and secure storage facility is restricted to the authorised two to six keyholders (the exams officer must be one of the keyholders) and staff approved by the head of centre are accompanied by a keyholder at all times

Policies/procedures

Malpractice Policy (Exams)

Stored on shared drive Staff\POLICIES\Exams. Copies available on request from the Exams Officer.

Refer to GR (section 5.3) **Policies available for inspection**

Also refer to the JCQ document **AI Use in Assessments: Protecting the Integrity of Qualifications** (http://www.jcq.org.uk/exams-office/malpractice) to update the centre's malpractice/plagiarism policy to acknowledge the use of AI (e.g. what it is, the risks of using it, what AI misuse is, how this will be treated as malpractice, when it may be used and how it should be acknowledged) – most simply by referencing this document

- Ensures risks to the exam process are assessed and appropriate risk management processes/contingency plans are in place (that allow the senior leadership team to act immediately in the event of an emergency or where the head of centre, the examinations officer or SENCo is absent at a critical stage of the examination cycle)

  The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

  All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

Exam Contingency Plan

Consideration may also need to be given to the centre's policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties

Legislation on sharing information
Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility (last updated 24 August 2023 to include) www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it might be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with GR (section 5.4) **Access arrangements and reasonable adjustments**

Conflicts of interest

- Ensures the relevant awarding bodies are informed before the published deadline for entries for each examination series of any potential conflict of interest where:

  Alternative rooming arrangements, e.g. a room for a smaller group of candidates with similar needs (formerly known as separate invigilation)

Why have a policy on this?

In certain circumstances, a candidate with 'an established difficulty' may be eligible to take exams in alternative rooming arrangements. Centres may also receive requests from candidates (and/or parents/carers) to take their exams in alternative rooms. Having a documented policy ensures:
