Purpose of the policy

The purpose of this policy is to confirm the arrangements for candidates who are absent from an examination at Bourne Community College .

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point Bourne Community College reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination. (See **Candidate Late Arrival Policy**)

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

1. Identifying and dealing with candidate absence

A candidate will be considered absent from an examination if:

- the candidate is not present on completion of the attendance register once candidates are seated and have started the examination, (ICE 22.5)
