

UNIT R018 – KEY WORDS				
LO1	LO2	LO3	LO4	LO5
Family	Antenatal	APGAR Score	Signs of illnesses	Safety strategies
Genetic Counselling	Midwife	Vernix	Symptoms of illness	Hazard
Pre conception care	Health visitor	Lanugo	Obesity	BSI safety mark
Barrier Method	Obstetrician	Fontanelle	Passive	CE symbol
Contraception	Paediatrician	Reflexes	Active	Lion Mark
Reproduction	Sonographer	Premature (Pre-term)	Immunisation	Accidents
Fertilisation	Neonatologist	Post-natal	Vaccine	Environment
Pregnancy	Anaesthetist	Appearance	Treatment	Prevention
Placenta	Practice Nurse	Pulse		Physical
Umbilical cord	General Practitioner	Grimace		Social
Amniotic sac		Activity		Emotional
Embryo		Respiration		Intellectual

UNIT R019 – KEY WORDS			
LO1	LO2	LO3	LO4
Cost	Development	Macronutrients	Feeding solution
Design	Transition	Micronutrients	Nutritional analysis
Durability	Suitability	Nutrients	Investigate
Ergonomics	Practicality	Protein	Evaluate
Hygiene	Safety checks	Carbohydrates	Labelling
Age-appropriateness	Challenging	Vitamins	Calories
Equipment	Travelling	Minerals	Practicalities
Stability	Feeding	Fibre	Convenience
Flammability	Sleeping	Weaning	Combination feeding
Safety aspects	Clothing	Eatwell Guide	Bottle feeding
	Footwear	Healthy choices	Sterilisation
		Dietary requirements	Breast feeding

UNIT R020 – KEY WORDS			
LO1	LO2	LO3	LO4
Physical development	Solitary play	Developmental area	Inclusive activity
Intellectual development	Co-operative play	Observation	Introducing
Social development	Manipulative play	Safety considerations	Familiar
Fine motor skills	Parallel play	Recording	Skills
Gross motor skills	Onlooker play	Planning	Knowledge
Reflexes	Creative play	Activities	Evidence
Hand-eye co-ordination	Senses	Resources	Strengths
Developmental norms	Attention span	Naturalistic observation	Weaknesses
Self-esteem	Independence	Participative observation	Conclusion
Self-confidence	Sharing	Snapshot observation	
Literacy	Communication	Non-participative observation	
Numeracy	Benefits
