

Dear Parents & Carers  
Return for this half-term

It was great to see all the students return last week and see how well the Year 11 conducted themselves coming straight back into Mock exams. We have been very impressed with their positive attitude and how well they have done.

### The Ski Trip

We were also delighted to see the skiers return from their Ski trip to Saalbach in Austria where 84 skiers from Years 7-11 had an extremely successful trip. Storm Eunice, Covid and vaccination status did not hinder the trip, but just made it a little more challenging! Students experienced and developed not only their skiing skills but exposure to the Alpine life, including ice-skating, curling and night skiing and made the best of the whole experience.

I would like to thank Mr Colley and all the staff who led and supported the trip through such a challenging time and to all the parents who supported the College throughout on this. The students were a credit to the school and we look forward to planning our next skiing trip in two years time.

### Art work around the school

We have had many murals put up around the school and most recently in English and Art including designs and original work by students themselves. Do please see inside this newsletter to see how brilliant they are.

### The Ukraine Crisis

We have been supporting the students with their understanding of the situation as it unfolds in Ukraine and have been overwhelmed by their responses to do something positive.

Mrs James kindly co-ordinated some donations and letters of support from students, staff and delivered them to a collection point, so they are now on their way to Poland. Huge thanks to all parents and carers who have also supported this. We will let you know what we plan to do next.

Please enjoy the newsletter and follow us on TWITTER and see our website for any further updates.

Kind best wishes,

Yvonne Watkins

## World Book Day

This year is the 25th anniversary of World Book Day, an event designed to celebrate books and authors and to encourage young people to discover the pleasure of reading. Library lessons in year 7 and 8 have focused on a mini book battle with students choosing and voting between five books of very different genres. There are still a few classes to go and the voting is very close. Staff have embraced their love of books and reading by dressing up as some of their favourite book characters to celebrate the day. Students were then challenged to discover the characters staff had dressed up as in order to claim a prize in the library.

There have also been several competitions running including guess the staff shelfies, pets caught reading and the create a toilet roll book character with results being announced soon. World Book Day 2022 has helped to bring the pleasure of books and reading to the heart of Bourne Community College this week. Thank you to everyone who has taken part and made World Book Day a great success.

E Farley  
School Library Manager

# New Wall ART

Another fabulous wall appeared over half term, this design features elements of GCSE students art coursework for their project Climate Change. Yr 11 Charlotte's self portrait in a gas mask features in the centre of the piece along with factory fish and whales designed by ex student Heather Smith. A very powerful artwork, collaboratively created. We love it!!

Mrs Cluff- Leader Of Art And Design  
Miss Donovan - Teacher Of Art And Design

# Enthuse Project- Chidham Primary school Visit

On 1st March 2022, Chidham Parochial Primary School attended the Bourne Community College for an afternoon of STEM activities. This started in Science where the students focused on Microscopes and Magnification, looking at onion cells, drawing what they could see and working out the total magnification on the cells that they were drawing. The students went onto Maths where they had to do complete scale drawings in magnification, which led them onto computer science where they had to complete a series of coding to achieve a goal in educational Minecraft.

Ms Perry  
STEAM Activity Coordinator

## Feedback from the Students

“My best bit today was looking through the microscopes and playing Minecraft.” Jamie

“This school is nice.” Theo

“Today was exciting, it was lots of fun. I got to learn lots of things in the STEM subjects.” Florence

“Playing Minecraft is fun, I am impressed with this school, I like coming up here.” Charlie

“I liked looking at the onion cells and seeing the nucleus.” Liberty

“My favourite lesson was Science, because I’ve never used a microscope before today.” Evie

## Bourne's Donations to Ukraine

I am struggling with finding the right words to convey the sheer generosity of staff and students at Bourne Community College. With just two days' notice, on Thursday 3rd March I was able to take an entire van load of donations to Compton Tea Rooms collection point where 30+ volunteers were ready to sort through and box up all of the items ready for transportation to the Poland/Ukraine border on Friday 4th March (With Luke pictured).

The generosity of our students and staff was quite amazing, we had boxes and boxes of new toiletries, warm hats and gloves and scarves, socks and shoes, games, nappies, baby food, toys, sweets, food, coats and clothes. It was quite unbelievable how much was gathered in such a short time.

When I arrived with everything, I was told that unfortunately they didn't have room for all of the clothes as they were prioritising everything else, so instead they were taken to the British Red Cross where they could be sold and funds raised for their work in Ukraine supporting victims of the war. One very special item had to be the package of letters from students. Our students have huge hearts and have responded amazingly to this developing situation with maturity and kindness. Thanks must also go to my husband for the loan of his van and all the students who helped me carry everything to it!

If there are any further collections in the future we'll put out a parent mail with as much notice as possible.

In the meantime if your child would like to do anything else to help raise funds for Ukraine they can carry out sponsored activities as part of their RE Independent study projects or speak to their tutor about opportunities to get involved in support efforts. Many thanks again for everyone who helped make this happen, what a wonderful school community effort.

Mrs James  
Leader of Humanities

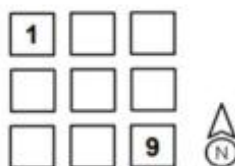

## More Able Events

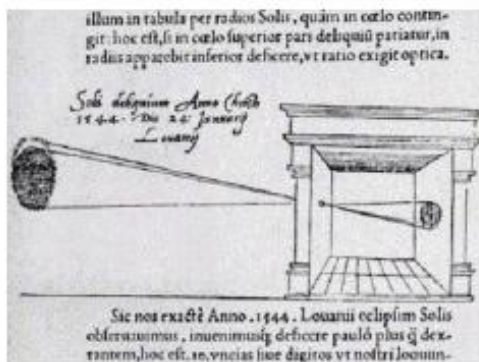

A new and exciting program of events for our More Able students is under way for our Y7 and Y8 students.

### Maths Edge Hill University Competition

Students introduced to a building problem and team solutions presented on a poster to enter the competition.

### Science of photography

The Science of photography explored, discussed and used for the technicality, perspective and analysis of own photos. Weekly challenges set to develop on these skills

### UKMT Intermediate Maths Challenge

By invitation Y9, 10 and 11 students took part. Results this half term.

### More Able English

Students on a 'Vocabulary Assault Course' based on War of the World's by H.G.Wells. Competition, creativity and use of extended vocabulary to produce a written response to image stimulus!

### Languages more able bake off

Fantastic to hear and see French and Spanish recipes being made!!!  
Tasted fantastic!!!

### UPCOMING EVENTS

3<sup>rd</sup> March 2022 – Humanities More Able Y7 & Y8

Weekly: STEM Club Thursdays B14

Y9 & Y10 program of events starting April 2022

Mrs Jenny Phillips

More Able Mrs Phillips @ able\_phillips

## Crisp Packet Project

Taking inspiration from a lady in Hasting who runs The Art Shack Charity Shop, myself and the pupils in the Short Stay School sent a request out to the school for empty crisp packets, with the hope to gather enough to make a blanket for the homeless.

The pupils were superb in creating some posters and spreading the word about our project. I had made one of these previously and with help from a video posted by Channel 4 on The Art Shack, we knew that we needed roughly 75 crisp packets to make a blanket.

Fast forward 3 weeks and The Short Stay School is a quarter of the way through their 2nd blanket and still have hundreds of crisp packets to go!

It has been brilliant starting this project with the pupils, who have been amazed when I convince them that a crisp packet is able to keep someone warm, due to the silver film insulating them.

Once this project has been completed, the aim is to donate them to local homeless shelters, again, something the pupils have been able to take enormous pride in.

I would like to thank everyone who has donated a crisp packet; staff, parents and pupils, it has been great fun for such a worthwhile cause.

Mr Morton  
Behaviour Manager for the Short Stay School.

# PAID INTERNSHIP

## About the Internship

This programme is targeted at STEM undergraduates who are:

- Interested in teaching maths, physics or computing
- Seeking an opportunity to spend three weeks in a school (June/July 2022)
- Looking to work alongside experienced teachers to gain a deeper understanding of the teaching profession

## About GLF Schools/ITT

GLF Schools is a Multi Academy Trust of 41 schools, and we work closely with several partnership schools across Surrey and West Sussex. **To find out more visit [www.glfscitt.org](http://www.glfscitt.org)**
