

# As a NACE member school, we believe...

The education of more able learners is a  
**whole-school endeavour**  
to be embraced by all school leaders.

Addressing the needs of more able learners will  
**raise achievement**

for a much wider group of learners in a school.

Providing for more able learners is  
**not about labelling,**  
but about creating a curriculum and learning  
opportunities which allow all children to flourish.

Ability can be revealed across a range of  
**specific domains or more generally,**  
and not only in traditional academic subjects.

An ethos of  
**high expectations and aspirations**  
is a central plank for any school providing for more able learners.

Teachers are central to providing  
challenging and enriching education, and their  
**professional development**  
is paramount.

Ability is a fluid concept: it can be developed through  
**challenge, opportunity and self-belief.**
