

Uniform Policy

“The best interests of the child must be a top priority in all actions concerning children”

Article 3 - UNCRC

Bourne Community College is a “uniform” College and without exception all students must wear it. A uniform helps to give unity and identification to a school. It can also help students avoid the temptations of temporary extremes of fashion and make the different financial circumstances of parents less obvious.

We assume all parents/carers will make sure their children dress according to our uniform list and support the College in ensuring that high standards are maintained in tidiness, cleanliness and the wearing of uniform.

We expect a high standard of dress whilst students make their way to and from College and during the College Day.

We are also sensitive to the needs of different cultures, races and religions. Appropriate arrangements to allow acceptable variations of the school uniform are made to reflect the needs of different religious faiths whilst ensuring all variations still comply with our Health and Safety requirements.

“Every child has the right to express their religious beliefs and practices”
