Transition Tuesday

Dear Parents and Carers

Welcome to the third Transition Tuesday email from Bourne Community College. I would like to thank all of you who have emailed me with your completed activities from the last Transition Tuesday email. I have really enjoyed reading about the things your child is most looking forward to at Bourne.

Star Qualities

Attached to this email you will find a Star Qualities worksheet. This is for you and your child to show me all the wonderful 'star' qualities your child has. The sheet can be printed out and written on, or please feel free to email me with a typed list if this is easier. The email address to use is transitionlead@bourne.org.uk Don't forget to include all the things your child likes to do outside of school too.

Emails

I have been made aware that there have been a few issues with some people receiving Transition Tuesday emails. The main issue appears to be with Hotmail.com email addresses. If you know anyone who is not receiving these emails, please suggest that they initially look in their junk or spam folder. Again, please email me at transitionlead@bourne.org.uk if there are any problems.

Online Safety

Following some queries from parents/carers about mobile phones I have included a link below to the Parents and Carers Guides and Resources page on the UK Safer Internet Centre website. Please take this chance to have a look and read the resource most relevant to you and your child; topics covered include mobile phones, laptops, games consoles, tablets and social media guides.

Admission Form

Please keep an eye on your email for our online Admission Form which will shortly be sent to you via email. The admission form email will be from Applica – please keep an eye out for this in your junk email and spam as well as your inbox in case it ends up elsewhere.

I am really looking forward to meeting your son/daughter in my upcoming school visits. These are being booked right now and I can't wait to meet everyone.

With kind regards

Mrs S Savage
